Consent Statement:

I declare that the information provided is accurate and agree to be included in the TJAR reviewer pool.

Area(s) of Expertise / Interest:

Ambulatory (Day-case) Anesthesia

Anesthesia Equipment & Technology

Anesthesia for High-Risk Patients

Anesthesia for Non-Operating Room Procedures (NORA)

Anesthesia Pharmacology

Bariatric Anesthesia

Blood Management & Transfusion Medicine

Burn Anesthesia

Cardiac Anesthesia

Critical Care Ultrasound

Emergency Anesthesia

Enhanced Recovery After Surgery (ERAS)

ENT Anesthesia

General Anesthesia

Geriatric Anesthesia

Hepatobiliary Anesthesia

Intensive Care

Interventional Pain

Maxillofacial Anesthesia

Medical Education in Anesthesiology

Neuroanesthesia

Obstetric Anesthesia

Obesity & Metabolic Anesthesia

Oncologic Anesthesia

Ophthalmic Anesthesia

Orthopedic Anesthesia

Pain Management

Pediatric Anesthesia

Perioperative Medicine

Point-of-Care Ultrasound (POCUS)

Post-Anesthesia Care (PACU)

Regional Anesthesia

Resuscitation & Advanced Life Support

Robotic Surgery Anesthesia

Sedation and Procedural Sedation

Simulation in Anesthesia

Thoracic Anesthesia

Transplant Anesthesia

Trauma Anesthesia

Urologic Anesthesia

Vascular Anesthesia
